Homeowner Moonlight Snowshoe Hike
Saturday, March 11th @ 6:00pm

**Time to pull out your snowshoes and join us
for the third annual homeowner snowshoe event.**

We will meet at the golf course parking lot at 6:00pm and head down to the River Camp on BLM land. Following the snowshoe hike, we'll gather in the parking lot for hot chocolate and cookies. This is a great 'bring the family' event, but please sign up, as we need to get a headcount for refreshments. Please email tbliss@granbyranch.com by Thursday, March 9th, with the number of attendees in your group.

An Important Nordic Trail Update!

Please be advised: New Nordic Trail signage will be installed soon.

In last week's newsletter, we mentioned that hiking/walking on the Nordic Trails is strongly discouraged. However, due to the damage being done to the Nordic Trail by people walking on it (see the photo above), **hiking/walking will no longer be permitted on the Nordic Trails.**

Snowshoeing is allowed on the Nordic Trails, but **please stay to the side of the trail when snowshoeing.** The impact from snowshoeing is still being evaluated and could be discontinued in the future if damage from snowshoeing is too extensive.

Grooming takes place on Tuesdays and Fridays (weather permitting).

Important Messages Regarding Recycling At The Base

Glass can be recycled at Grand Recycles, located at 81 W. Agate in Granby. Please visit their website: [Grand Recycles - Your Community Recycling Program](#), for additional information.

- **Garbage** should not be placed in the three recycling receptacles located at the resort base. There is no garbage drop-off location at the resort base. Please let your visitors and guests know that this is a recycling drop-off only, and that glass is not accepted at this location.
