Granby Ranch Resort Update

Greetings, Granby Ranch Homeowners!

The GR Team is very excited about the upcoming winter, and we have lots to share with you! While Mother Nature is late to the winter party, we are still projecting opening for Friday, December 8th with homeowner only access on Thursday, December 7th 12pm-3pm. We will keep you posted should anything change due to weather/conditions.

The installation of our new 400ft covered conveyor "Stagecoach" is progressing very well and we expect it to be completed in time for opening. Please mark your calendars:

Grand Opening Festivities for "Stagecoach"

Saturday, December 16th 9am-12pm

including local radio broadcast, kid's carnival with snow games, prizes and giveaways, and ski down the new beginner trail "Gitty-Up" (lookers right of the new carpet) and experience the new animation and tools to enhance our Ski and Ride School experience. While the Pony Carpet will remain available for Ski and Ride School guests only, Stagecoach is open to all ticketed guests all the time, with new run "Gitty-Up" designated as Ski and Ride School only most of the time. In keeping with our western theme, the runs you have known as Zig and Zag have been changed to Ace and Daisy.

We've added a new snowcat with a passenger cab to our fleet. With extensive widening of several trails over the summer, grooming on the East Mountain Nordic Trail system can be conducted more consistently. This new addition to the fleet enables us to offer scenic snowcat tours for up to 9 people at a time – a great way to include the non-skiers/riders in the Granby Ranch experience. Add charcuterie and wine for the ride. Think SNOW; this activity is condition dependent and requires natural snowfall.

Construction on the Maintenance Grip Bay & Ski Patrol HQ is in full swing and will continue through the winter season. Ski Patrol HQ and dispatch will operate out of the red yurt this winter while we finish the interior of the building.

New Years Eve Fireworks are back again this year. This is a can't miss for the whole family including extended hours for all F&B outlets, live music in 8350 until 7pm, and a DJ to keep the party going until 11pm (NYE toast at 12am EST).

Night Ski has been expanded to 17 nights this year, for a list of Night Ski dates visit [Granby Ranch Night Ski](#). New this year – book your private night ski guide and enjoy Buckhorn all to yourself with headlamps, lighted vests, and glow sticks! Kids will love this unforgettable experience offered on night ski nights only – details coming soon on the website!

Blue Bird Bistro opens for the season on **Friday, December 1st** with new menu items for both lunch and dinner, your regular favorites, and a new wine and spirits list. The Bistro is open daily 11am-8pm.

The 8350 Experience continues to evolve with live music every Friday and Saturday through March 29 (8350 is reserved for the end of season Homeowner party on March 30). New this year – Raw Bar will be offered **every** Friday night and **every** Saturday enjoy our new pasta toss sauté station – choose your ingredients, made to order in front of you. On Sunday mornings (8am-11am, bar til 3pm) try the **new omelet sauté station** – choose your ingredients, made to order in front of you with fruit and coffee. 8350 will remain a homeowner only area Monday – Saturday 8am-3pm. Note that with this new breakfast and bar offering on Sundays, 8350 will be open to the public on Sundays this season.

Please join us in celebrating the start to the 2023-24 Winter Season with 20% off for Homeowners Friday and Saturday, December 1st & 2nd in both the retail shop and Blue Bird Bistro open to close! Ski Pass Benefit Reminder – Granby Ranch did not renew a reciprocal agreement for 3 ski days per pass holder at Ski Cooper for the 23-24 Winter Season due to the very low usage of this benefit by Granby Ranch pass holders. Granby Ranch Management had many requests for a reciprocal agreement at Loveland Ski Area and happily GR Season Pass Holders will enjoy 3 days at Loveland Ski Area for the 23-24 Winter Season.

We look forward to seeing you soon!

Mountain Updates From Your Bike/Hike and Open Space Committee

The mountain team closed all the single-track trails (south valley included) cross country bike/hike trails for the season. All double track trails will remain open, eventually we'll be putting up Nordic boundary signs along the double

track trails that are being groomed this winter that will be open for cross country skiing and snowcat tours. There is a designated snowshoe trail via a hybrid Nature's Way/Bee Line. It's well marked and there are plans to pack it in once we get more snow.

Granby Ranch Fly Fishing

The river remains open for both morning and afternoon reservations. For information on how to access and navigate the Fly Fishing Reservation System, visit [Fish Granby Ranch](#).
