Ski Pass Benefit Reminder – Granby Ranch did not renew a reciprocal agreement for 3 ski days per pass holder at Ski Cooper for the 23-24 Winter Season due to the very low usage of this benefit by Granby Ranch pass holders. Granby Ranch Management had many requests for a reciprocal agreement at Loveland Ski Area and happily GR Season Pass Holders will enjoy 3 days at Loveland Ski Area for the 23-24 Winter Season.

Ranch Hall Renovation Update

Update from the Granby Ranch Conservancy Capital Projects and Long Term Planning Committee

Very exciting news! The majority of Phase 1 of the Ranch Hall Completion and Upgrade Project is right on schedule and will be completed by the end of 2023! Despite encountering unexpected critical structural and

mechanical challenges, our construction crew has done an incredible job of staying on track.

The upgrades and critical repairs nearing completion include:

- Doubling the capacity of the hot tub
- Repairing structural cracks, resurfacing, & re-coping the swimming pool
- Stabilizing and replacing much of the pool deck
- Replacing the snow-melt system
- Adding an ADA accessible path to access the lower level of Ranch Hall

This spring, once the snow has melted, we will complete the installation of the upgraded fence, put in the finishing landscaping touches and add the Preschool Playground. We expect that these remaining projects will be completed with minimal disruption to homeowner's enjoyment of the pool area.

Phase 2 of the Ranch Hall Completion and Upgrade Project is expected to begin late January. This next phase is not expected to impact Homeowner use of the gym or most common areas of Ranch Hall.

We are so appreciative of your patience with the closures and construction process! We want to thank you for your support and to show off the new area at a Full Benefit Homeowner Open House on December 30th, 2023 from 10:30 to 12:00. We hope that you will join us to celebrate the close of 2023 and the opening of the new pool area!

Mountain Updates From Your Bike/Hike and Open Space Committee

The mountain team closed all the single-track trails (south valley included) cross country bike/hike trails for the season. All double track trails will remain open, eventually we'll be putting up Nordic boundary signs along the double

track trails that are being groomed this winter that will be open for cross country skiing and snowcat tours. There is a designated snowshoe trail via a hybrid Nature's Way/Bee Line. It's well marked and there are plans to pack it in once we get more snow.

Granby Ranch Fly Fishing

The river remains open for both morning and afternoon reservations. For information on how to access and navigate the Fly Fishing Reservation System, visit [Fish Granby Ranch](#).
